

**‘Love Everyone, Love the Adventure of Learning’  
The Batt CE Primary School**

**Safeguarding in the Curriculum**

The Batt CE Primary School is committed to all aspects of safeguarding and believe in educating our children in keeping themselves safe at an age appropriate level. Through our PSHE curriculum and wider curriculum, carefully chosen texts, focus days/weeks, Collective Worship, our school vision and values, and daily interactions with children, safeguarding is embedded.

Throughout the curriculum, there are planned opportunities to promote all forms of safeguarding and equality and foster greater understanding of and respect for people of all faiths (and those with no faith), races, genders, ages, disabilities, and sexual orientations, through their words, actions and in their influence. Opportunities are created in a variety of subjects to address areas of safeguarding, for example, themes are highlighted through novels in English lessons.

The Legal Context: These duties are set out in the 2002 Education Act . Schools also have statutory responsibilities in relation to promoting pupil wellbeing and pupil safeguarding (Children Act 2004) and community cohesion (Education Act 2006). The Equality Act 2010 also places duties on schools to help to reduce prejudice-based bullying.

Keeping Children Safe in Education (KCSIE) September 2016 outlines that: ‘Governing bodies and proprietors should ensure children are taught about safeguarding, including online, through teaching and learning opportunities, as part of providing a broad and balanced curriculum. This may include covering relevant issues through personal, social, health and economic education (PSHE), tutorials (in FE colleges) and/or, for maintained schools and colleges, through sex and relationship education (SRE).’
